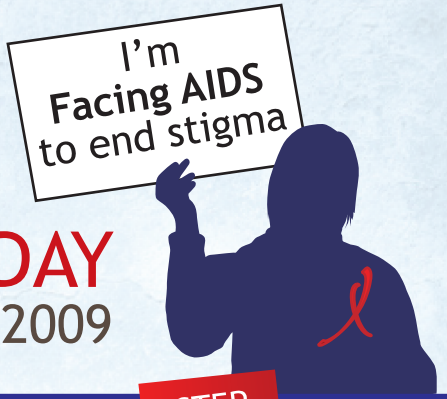
Facing AIDS

WORLD AIDS DAY

December 1, 2009



STEP 1

Take a Photo.

Download a Facing AIDS sign from AIDS.gov and tell us why you choose to Face AIDS.

Then take a photo of yourself wearing a red ribbon and holding your sign.

Upload it to our Flickr group: **www.flickr.com/groups/facingaids** or our Facebook fan page album: **www.facebook.com/AIDSgov**

STEP 2

Change Your Social Network Profile Status.

On December 1 change your status to:

*"**[Your Name]** is Facing AIDS for World AIDS Day. To find an HIV test site, text your ZIP to "KNOWIT" (566948), or visit www.HIVtest.org. Join me and post this to your status today."*

STEP 3

Share It.

Ask your family, friends, colleagues, and neighbors to join the Facing AIDS campaign.

Visit AIDS.gov to get a Facing AIDS web badge that you can add to your profile, blog or website.
