PREVENTION AND TREATMENT TOOLKITS

May 2019

Agreement between the Trump administration and Gilead Sciences, Inc., for the company to donate PrEP medications for up to 200,000 uninsured individuals each year for up to 11 years.

December 2019

The READY, SET, PrEP program officially launched and opened for enrollment.

WHO'S ELIGIBLE FOR READY, SET, PrEP?

To receive PrEP through the Ready, Set, PrEP program, an individual must:

- ▶ Test negative for HIV
- ▶ Have a valid prescription for PrEP
- ▶ Not have prescription drug coverage

For individuals enrolled in the program, there is **no cost** for medications.

The costs of clinic visits and lab tests may depend on a person's income and where they receive the services.

PARTNERS: READY, SET, PrEP

Beginning March 2020:

- ▶ Partners will donate their services to distribute PrEP at no-cost to qualified patients in over 22,000 U.S. pharmacy locations including the District of Columbia, Puerto Rico, and the U.S. Virgin Islands and through mail order.
- ▶ Partners will also provide patient counseling and take steps to promote patient adherence to the regimen.
