ON PrEP

I TAKE PrEP AND  
**I'M READY**  
TO PREVENT HIV.

PrEP is a daily pill to prevent people without HIV from getting HIV. Ready, Set, PrEP provides free PrEP to people without prescription drug coverage who test negative for HIV and have a prescription from a healthcare provider.

→ Go to [GetYourPrEP.com](https://www.getyourprep.com) to see if you qualify for free PrEP.
