

THE SECRETARY OF HEALTH AND HUMAN SERVICES
WASHINGTON, D.C. 20201

CHARTER

PRESIDENTIAL ADVISORY COUNCIL ON HIV/AIDS

Committee's Official Designation

The committee shall be known as the Presidential Advisory Council on HIV/AIDS (PACHA and/or the Council).

Authority

Executive Order 12963, dated June 14, 1995, as amended by Executive Order 13009, dated June 14, 1996. Under a Presidential memorandum, dated July 13, 2010 and under Executive Order 13703, dated July 30, 2015, certain authorities were given to the Presidential Advisory Council on HIV/AIDS (referred to as PACHA and/or the Council) for the implementation of the National HIV/AIDS Strategy for the United States (Strategy or NHAS). The Council was reestablished on January 15, 2016 and continued by Executive Order 13889, dated September 27, 2019. PACHA is governed by the provisions of Public Law 92-463, as amended (5 U.S.C. App.) which sets forth standards for the formation and use of advisory committees.

Objectives and Scope of Activities.

The Secretary of the U.S. Department of Health and Human Services (HHS) is charged in Titles XXIII-XXVI of the Public Health Service Act with responsibilities for conducting a variety of activities in connection with the prevention and cure of HIV and AIDS and for ensuring that those living with HIV or AIDS are provided with quality care.

PACHA shall provide advice, information, and recommendations to the Secretary regarding programs, policies, and research to promote effective treatment, prevention and cure of HIV disease and AIDS, including considering common co-morbidities, as needed to promote effective HIV prevention, treatment, and quality care services. Under the authorities given in the Presidential memorandum and Executive Order 13703, PACHA shall contribute to the Federal effort to improve HIV prevention and care. The functions of the Council are solely advisory in nature.

Presidential Advisory Council on HIV/AIDS

Description of Duties

PACHA shall provide advice, information, and recommendations to the Secretary regarding the development and implementation of the Ending the HIV Epidemic: A Plan for America.

PACHA shall also monitor the implementation of the Updated NHAS and make recommendations to the Secretary and to the Director of the White House Office of National AIDS Policy (ONAP), as appropriate, concerning implementation and progress in achieving the Strategy goals.

PACHA shall provide advice, information, and recommendations to the Secretary regarding programs and policies to:

- a. reduce HIV incidence;
- b. advance research on HIV/AIDS;
- c. improve health outcomes and ensure people living with HIV have access to quality health care;
- d. address HIV-related health disparities; and
- e. provide global leadership in responding to the HIV pandemic and expand access to treatment, care, and prevention for people infected with and affected by HIV/AIDS around the world.

Official to Whom the Committee Reports

The Council will provide advice, information, and make recommendations to the Secretary and to the Director of the White House ONAP, as appropriate, through the Assistant Secretary for Health. The Secretary shall forward the Council's recommendations to the President.

Support

Management and support services for Council activities are provided by the Office of Infectious Disease and HIV/AIDS Policy (OIDP), which is a program office within the Office of the Assistant Secretary for Health (OASH) in the Department of Health and Human Services. The heads of executive departments and agencies shall, to the extent permitted by law, provide the Council with such information as may be necessary for performance of its functions.

Estimated Annual Operating Costs and Staff Years

The estimated annual cost for operating the Council, including travel and per diem expenses for members, but excluding staff support is \$421,000. An allocation of two (2) FTEs has been projected to provide staff support for Council activities; the annual cost for the projected human resources is \$280,000.

Presidential Advisory Council on HIV/AIDS

Designated Federal Officer

The Executive Director of PACHA will serve as the Designated Federal Officer (DFO) for the Council. If an Executive Director is not appointed by the President, then the Secretary or designee, in consultation with the White House Office of National AIDS Policy, will appoint a full-time or permanent part-time federal employee to serve as the Executive Director of PACHA. In the event that the DFO cannot fulfill the assigned responsibilities for the Council, the Secretary or designee will temporarily appoint one or more permanent full-time or part-time program staff to carry out the assigned duties.

The DFO will schedule and approve all meetings of the Council and any respective subcommittees to be held. The DFO will prepare and approve all meeting agendas; development of the meeting agenda can be done in collaboration with the Council leadership. The DFO or designee will attend all meetings of the Council and any respective subcommittees. The DFO also has authority to adjourn meetings, when it is determined to be in the public interest, and can be directed by the Secretary or designee to chair Council meetings.

Estimated Number and Frequency of Meetings

The Council will meet, at a minimum, three times per fiscal year, depending upon the availability of funds to support the meeting. Meetings will be open to the public, except as determined otherwise by the Secretary or designee, in keeping with the guidelines under Government in the Sunshine Act, (5 U.S.C. 552b(c)). Notice of all meetings will be given to the public. Meetings will be conducted and records of the proceedings will be kept, as required by applicable laws and Departmental policies. A quorum of the membership is required for the Council to meet to conduct business.

When it is determined by the Secretary or designee that a meeting will be closed or partially closed to the public, in accordance with stipulations of Government in the Sunshine Act, 5 U.S.C. 552b(c), then a report will be prepared that includes, at a minimum, a list of the members and their business addresses, the Council's functions, date and place of the meeting, and a summary of the Council's activities and recommendations made during the fiscal year. A copy of the report will be provided to the Department Committee Management Officer.

Duration

Continuing

Termination

Unless continued by the President, the PACHA will terminate on September 30, 2021. Unless renewed by appropriate action, the charter for the Council will expire two years from the date it is filed.

Membership and Designation

The Council shall consist of not more than 25 members; one or more members will be selected to serve as Chair, Vice Chair, and/or Co-Chairs. The voting Council members shall be selected from prominent community leaders with particular expertise in, or knowledge of, matters concerning HIV and AIDS, public health, global health, philanthropy, marketing or business, as well as other national leaders held in high esteem from other sectors of society. All voting Council members, including the Council leadership, shall be appointed by the Secretary or designee, in consultation with the White House Office of National AIDS Policy. The voting members shall be classified as special government employees (SGEs). There shall also be a nonvoting liaison representative from the Centers for Disease Control (CDC)/Health Resources and Services Administration (HRSA) Advisory Committee on HIV, Viral Hepatitis and STD Prevention and Treatment (CHACHSPT). The Council composition may also include ex officio members from relevant HHS components, as deemed necessary to accomplish the established mission of the Council.

The voting Council members shall be invited to serve for overlapping terms of up to four years; terms of more than two years are contingent upon the authorized continuation of the Council. A voting member may serve after the expiration of their term until their successor has taken office and/or until notified in writing that their term has ended or expired, but no longer than 180 days.

Council members shall receive no stipend for the advisory service they render as members of PACHA. As authorized by law and in accordance with federal travel regulations, PACHA members may be approved to receive per diem and reimbursement for travel expenses incurred in relation to performing duties for the Council.

Subcommittees

With approval of the Secretary or designee, the Council may establish subcommittees to perform specific functions within the jurisdiction of the Council. Subcommittee members are all Council members, but no subcommittee shall contain more than the quorum of members of the parent Council. The Council may also seek advice from nonmember special consultants and/or individuals who have demonstrated expertise in a specialty area(s) that are designated by the Council membership. The subcommittees shall make preliminary recommendations to be considered by the Council membership. All reports and recommendations developed by an established subcommittee of the Council must be submitted to the full Council for appropriate action. The Department Committee Management Officer shall be notified upon establishment of each subcommittee and shall be provided information on these subcommittees, i.e., names/titles, functions, membership, and estimated frequency of meetings.

Presidential Advisory Council on HIV/AIDS

Recordkeeping

Records of the Council and the respective subcommittees will be handled in accordance with General Records Schedule 6.2, Federal Advisory Committee Records or other approved agency records disposition schedule. These records will be available for public inspection and copying, subject to the Freedom of Information Act, 5 U.S.C. 552.
